

## A star manager

### Description

**Empathy and encouragement are hallmarks of great leaders, and these are exactly the characteristics that describe Noel van der Berg, Senior Manager: Operations HIV.**

Zuki Kutsu, Specialist Product Support AFA, says when she first joined the team, Noel's kindness and patience provided her with a safe space to grow into her role and become a subject matter expert (SME).

"Noel leads with so much compassion and empathy. Whenever I make a mistake, he provides constructive feedback and is always willing to give guidance when needed. I admire the way he handles strenuous workplace situations,"

– Zuki

"Noel's leadership style encourages and motivates me to contribute more support to the AFA team. Thank you so much for being such a great leader!"
