

Living Mandela's Legacy in Vereeniging

Description

In the true spirit of Nelson Mandela's vision of dignity and compassion for all, our incredible colleagues in Vereeniging opened their hearts and lent their hands to bring relief to some of the community's most vulnerable members.

default watermark

With energy, empathy, and a shared sense of purpose, 14 passionate employees came together to pack an impressive 264 food buckets – destined for four remarkable and deserving local charities: Catherine Robson Children’s Home, Sedibeng Children’s Haven, Thusong Projects, and the Kompas Church’s Oophand (Open Hand) Project.

These organisations have been pillars of hope in the Vaal Triangle for over a decade, serving those who need it most. Thanks to our team’s teamwork, their impact was felt even more deeply this Mandela Day.
