## Testing team celebrated by Bonitas FM

As the year-end testing period reached its peak, Bonitas Fund Manager Ntombifuthi Manyoni took the time to recognise and appreciate the dedication of the testing team by handing out “survival kits” filled with thoughtful essentials. Ntombifuthi’s gesture reflected her deep gratitude for the commitment shown and her belief in the team’s ability to deliver excellence, even under pressure.

Moments like these highlight the spirit of teamwork, recognition, and care that keep us moving forward together.
