

A new look for Medscheme Mauritius

Description

The AfroCentric Group embarked on a rebranding and positioning journey in 2020, refurbishing some of our premises to align with the fresh new branding across the Group.

default watermark

The latest entity within the Group to complete its rebranding is our subsidiary Medscheme Mauritius, whose boardrooms, entrances and reception area have been kitted out with the new logo, tiling and modern furniture. To date, five sites have been rebranded.

The new branding elevates the reputation and capabilities of Medscheme Mauritius as part of the broader AfroCentric Group, positioning it for economic growth and development while fostering inclusion for Mauritian colleagues.
