

Slipper Day a triumph!

## Description

The Wellness and CSI teams trust that everyone enjoyed the Slipper Day event, and they would like to thank all employees whose enthusiasm ensured its success.

The goal of raising funds to donate to Reach for a Dream was achieved, and it was clear that all the participants had a lot of fun doing the Slipper Shuffle. Your keen interest is much appreciated.

Thank you to all the sponsors – Fedhealth, GroupComms, Aon, Interface and WorkCare – for adding to the fun by providing incentives to employees, who outdid themselves in the Slipper Shuffle.

Additionally, thank you to the teams that joined in the Slipper Shuffle. You stand the chance of being entered into the nomination for the Ignite Community Citizen Award!

We look forward to seeing you in your slippers again next year! [Click here to see pictures.](#)
