GRAB A RIBBON FOR A DONATION

default watermark

In support of breast cancer awareness, grab a ribbon at your nearest reception for a R10 donation. All proceeds will be donated to an NGO.

Don't stop there!

Join our breast cancer awareness session on:

Date: Thursday, 19 October 2023

Venue: Online and physically at the Auditorium

Time: 10:00 - 11:00 am

CLICK HERE to join the online session

Our Medical Aid Expert and Benefits Specialists from Group HR will talk you through the benefits of your medical aid.

Think that's all?

All branches can book a breast light examination **absolutely FREE**.

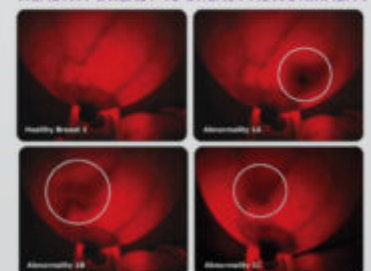

Early detection saves lives!

To book email:

Sanelisiwe.makuzeni@afrocentric-ics.com

HEALTHY BREAST VS BREAST ABNORMALITY

Sample images of what may be seen during screening with Breastlight™.

During the webinar, the following topics were covered:

1. Effectively self-examine your breasts.
2. What are your Medical Benefits should you be diagnosed with breast cancer?
3. How the journey will unfold with your medical aid, limits the medical aid has and the importance of using service designated provider/s.
4. The psycho-social support that is available through the Afrocentric Employee Wellness counseling service.

Support for breast cancer in our business was enhanced by making the breast light examination free of charge to employees and a permanent fixture at our wellness clinic.
