

## Plan for tomorrow

### Description

Our comprehensive pre-retirement seminars, hosted by the Graviton advisor team for members who are 50 years and older, are continuing this year.

The seminars touch on the importance of investing timeously for financial security when you retire.

Topics that are covered include:

- The emotional stages of retirement
- Budgeting, tax matters and estate planning in simple terms, including the Two-Pot System
- Insights on the annuity and preservation options
- An overview of Graviton's approach when assessing your personal, holistic financial position.

Look out for dates and times on ConneXion. You can also email the [Employee Benefits Team](#) for more information.
