

Let's connect with Muleki

Description

You, our people, are at the heart of AfroCentric. It is thanks to your dedication and hard work that we can achieve our mission of making a sustainable impact in healthcare.

In this edition we celebrate Muleki Nedzamba, Clerk: Claims Assessor at Polmed. Muleki was nominated by his colleague Nomfundo Bhengu for how he lives up to the Medscheme values.

“Muleki is such an inspiration – his work ethic is remarkable, he is always willing to go the extra mile, he is the perfect stakeholder. He is known across the Polmed unit and his colleagues speak of him in a positive way,” Nomfundo says.
