

A fond farewell to Zee

Description

It's always with pride that we watch young employees grow and develop in their careers, and Zenelia Davids, Personal Credit Controller: Bonitas Scheme Finance, is no exception.

Zenelia moved on from Bonitas at the end of June but in bidding her farewell, colleague Lilian Mogoba, Credit Controller: Bonitas Scheme Finance, recognised her outstanding work ethic and discipline.

"I am sure that her new colleagues will love her because she will add exceptional value. I wish her the best, and may this fresh start bring her endless opportunities and success. Zee, may you accomplish great things and may it be filled with positivity, creativity, and inspiration. You will be missed from the Bonitas space," Lilian says.
