

GEMS shines with positivity

Description

A positive working environment is one of the cornerstones of a good company culture, where we care for and appreciate each other as we all work together to achieve our AfroCentric goals.

Shout-out to the Dental Information Systems (DENIS) GEMS Operations team, whose commitment and dedication to achieving their deliverables have not gone unnoticed.

CELEBRATING OUR PE

“The team is really motivated to inspire and keep their staff motivated, always creating a positive moral in the Ops division.”

Fuad Amien, Operations Manager:
